

G7 2021 World Prayer Centre Prayer Summit

Friday 11 – Sunday 13 June 2021

The UK is hosting the G7 2021 Summit in Carbis Bay near St Ives, Cornwall, South West England.

Cornwall is a very historic part of the British Isles with a long history in pagan worship, occult activity which is still active today. However Cornwall is also a county with a lot of spiritual heritage from the time of the Celtic saints through to John Wesley, William Haslam & Billy Bray – also in the 18th century, it was the premier tin mining field in the world. Today it is home to a number of houses of prayer & healing as part of a countywide prayer initiative and many mission centred churches and Christian agencies that are bringing the kingdom of God into their communities. It is also a county of outstanding natural beauty with world renowned beaches and historic communities.

Leaders from the G7 countries - France, Germany, Italy, Japan, USA, UK, Canada, the EU and the guest countries - Australia, India, South Korea and South Africa – bring their teams including advisors and security personnel. Between them they represent 2.3 billion people and have great influence in the rest of the world. This will be the first time leaders have physically met for 2 years with other G7 meetings on Finance, Health, Trade, Technology, Foreign Affairs and Development taking place across the UK throughout the year.

This will be the first global summit for President Joe Biden, the last for Chancellor Angela Merkel and the first physical gathering since Brexit. The G7 agenda, set by Boris Johnson, includes research into speeding up of new vaccines; united efforts in rebuilding economies following Covid; nations response to climate change; championing global shared values. Our Call to the Body of Christ Worldwide.

- When and wherever the Kings of the earth gather it has been our practise – as World Prayer Centre working with other partners - over a number of years to declare the Sovereignty of God, the Lordship of Christ Jesus and the work of the Holy Spirit over the leaders and the nations they represent. The Apostle Paul wrote to Timothy (1 Timothy 1-2) urging him to *'pray with petitions, intercession and thanksgiving for all people- for Kings and all those in authority, that we may live peaceful and quiet lives in all Godliness and Holiness.'*
- Already prayer is taking place in the geographical area and in the actual place they will meet. We know that wherever those with power meet, 'other powers' will endeavour to affect the atmosphere and agenda.
- As a team here at World Prayer Centre, we felt that as the leaders gathered we should 'in the opposite spirit of the world' over the three days, declare the truths from God's word concerning the Sovereignty of God, The Lordship of Christ Jesus and the work of the Holy Spirit and speak blessing over those attending, their families and their nations.

Join us on Zoom – or Pray where you are during These Three Days
